Position Overview:

We are seeking a highly skilled and compassionate Speech and Language Pathologist (SLP) to join our team. The SLP will provide assessment, diagnosis, and treatment services for students.

Responsibilities:

1. Assessment and Diagnosis:

- Conduct comprehensive assessments to evaluate speech, language, and voice
- Utilize standardized tests, observations, and clinical evaluations to determine the nature and severity of communication and swallowing impairments.

2. Treatment Planning and Intervention:

- Develop individualized treatment plans based on assessment findings, student goals, and medical history.
- Provide evidence-based therapy interventions to improve communication skills, including articulation, fluency, voice production, and language comprehension and expression.
- Address swallowing disorders through therapeutic exercises and techniques.

3. Therapy Sessions:

- Conduct therapy sessions with students of all ages
- Implement a variety of therapeutic approaches and modalities to meet the diverse needs of clients.
- Monitor student progress and adjust treatment plans as needed to achieve therapeutic goals.

4. Documentation and Reporting:

- Maintain accurate and detailed records of assessments, treatment sessions, progress notes, and treatment plans.
- Prepare written reports and documentation for students, families, referring physicians, and other school professionals as needed.

5. Collaboration and Communication:

- Collaborate with interdisciplinary team members, including physicians, educators, occupational therapists, and other school professionals, to ensure coordinated care.
- Communicate effectively with students, families, and caregivers to educate them about communication disorders and involve them in the treatment process.

Qualifications:

- Master's degree in Speech-Language Pathology from an accredited program.
- Current state licensure as a Speech-Language Pathologist.
- Certification from the American Speech-Language-Hearing Association (ASHA) preferred.
- Previous experience working as an SLP in clinical, educational, or healthcare settings.
- Strong clinical skills and knowledge of evidence-based practices in speech-language pathology.
- Excellent communication, interpersonal, and organizational skills.
- Ability to work independently and as part of a team in a collaborative environment.

Employment Type:

- Regular School Hours

Duration:

- 2024- 2025 School Year

Location:

Hybrid Los Angeles Area
